Other Information:

Caveats or qualifications to the costing:

Treasury notes that the commitment may lead to a premium being charged on gas supplies, however, this cannot be costed until either market testing or tenders are sought.

Other Comments:

Treasury has assumed this commitment would be implemented by the Territory and Municipal Services Directorate, as ACT Property Group is responsible for the management of the ACT Government's energy contracts.

Costing Methodology Used:

- Costing Technique:

The request outlines that the commitment would be administered from within existing resources. Treasury considers this a reasonable assumption.
