(a) A negative number indicates a decrease in revenue or an increase in expenses

| Other Information:  |
|---|
| <b>Caveats or qualifications to the costing:</b><br>That the commitment only relates to the Release and Implement the Review of the Conservator of Flora and Fauna component of the ACT Greens' <i>Biodiversity and Conservation</i> policy.  |
| <b>Other Comments:</b><br>n/a   |
| <b>Costing Methodology Used:</b>  |
| - <b>Costing Technique:</b><br>The request states that any implementation costs are to be met from existing resources. Treasury notes that the release of the review can be done at no cost. Treasury has not, however, assessed whether it is possible to implement the review recommendations at no cost, as the scope of that implementation is unclear. |
