

Request for Costing an Election Commitment

Name of election commitment:	Public Liability Insurance					
Person and party requesting costing:	Meredith Hunter, ACT Greens Parliamentary Leader					
Date of public release of election commitment, including source:	19 th September 2012 http://act.greens.org.au/sites/greens.org.au/files/Arts%20Package.pdf					
Summary of election commitment:	Extend the existing casual-hire public liability insurance trial that currently applies to Albert Hall and Yarralumla woolshed to additional venues.					
Intention of election commitment:	Facilitate greater community use of community venues by minimising the financial obstacle of public liability insurance.					
Signature of person requesting costing:						
Date of request for costing:	5/10/12					
What are the key assumptions that have been made in the election commitment?						
<p>Note: that where the request to cost an election commitment differs from the public announcement, the costing will be on the basis of information provided in the costing request.</p> <p>Note: it will be up to the professional judgment of the Director-General as to whether these assumptions are adopted in the costing of the election commitment.</p>						
Where relevant, is the funding for the policy to be demand driven or a capped amount?						
This policy is budget neutral as it will be run on a cost recovery basis.						
Will third parties, for instance the Commonwealth or other State/Territories, have a role in funding or delivering the election commitment?						
No.						
Will funding/the cost require indexation?						
This policy is budget neutral as it will be run on a cost recovery basis.						
What are the estimated revenue and operating costs each year (if available) and what are the capital requirements for this election commitment and estimated costs each year (if available)?						
	2012-13	2013-14	2014-15	2015-16	2016-17	Total
	\$'000	\$'000	\$'000	\$'000	\$'000	\$'000
Revenue ^(a)	0	0	0	0	0	0
Expenses ^(a)	0	0	0	0	0	0
Capital	0	0	0	0	0	0
(a) A negative number indicates a decrease in revenue or an increase in expenses.						
What is the likely take up?						
Unknown at this stage.						

Any other assumptions?

- The Government is currently trialling the provision of casual-hire public liability insurance at Albert Hall and the Yarralumla Woolshed for around \$150.
- The ACT Greens assume the existing scheme is provided on a cost recovery basis and the commitment to the extension is also intended to run on a cost recovery basis.
- This policy commitment is to expand that program to other government assets such as school halls and community venues.

Administration of the election commitment

How will the election commitment be administered?

In the same way as the existing trial of public liability insurance for Albert Hall and Yarralumla Woolshed is being administered.

Who will administer the election commitment?

The same agency as the existing trial of public liability insurance for Albert Hall and Yarralumla Woolshed is being administered by.

Has an allowance been made for expenses necessary to support the implementation of this election commitment?

- If no, will the government agency be expected to absorb expenses associated with this election commitment?
 - If yes, please specify the key assumptions.
- This policy will be run on a cost recovery basis.

What is the intended implementation date of the election commitment?

From the start of the 2013-14 financial year.

Are there transitional arrangements associated with election commitment implementation?

N/A.

Are there any other assumptions that need to be considered?

No.

When is the election commitment expected to be fully operational?

Please provide further details i.e. start and end dates, the level of commitment during each period etc?

From the start of the 2013-14 financial year.

Will the election commitment cease and if so when?

The election commitment is intended to run during the four years 2013/14 until 2016/17.
