**Subject:** Industry Panel Request for Feedback - Approach to Review of Original Price Direction

Dear Matthew

I refer to the letter from the Industry Panel to ACAT General President Linda Crebbin dated 30 June 2014, seeking feedback on its proposed approach to the review of Original Price Direction.

Our Presidential Members, along with other members with expertise in the energy and water work area, have reviewed the documents and we have one suggestion to feed back to the Industry Panel:

- In relation to the timing between the submissions of other parties (mid August) and the hearing (mid August) (page 7 Approach Paper), there may need to be more time for parties to read the submissions prior to the hearing if there are multiple interested parties.

Can you please ensure that future correspondence to the ACAT is sent to the following email address to avoid delays: [tribunal@act.gov.au](mailto:tribunal@act.gov.au)

Please contact me if you wish to discuss further.

Regards

Cath
