Other Information:

Caveats or qualifications to the costing:

That the commitment only relates to item 2 of the Greens' *Efficient Government* policy.

Other Comments:

n/a

Costing Methodology Used:

- Costing Technique:

Treasury notes that the Independent Competition and Regulatory Commission currently produces the greenhouse gas inventory for approximately \$110,000 per year, with funding provided in earlier years included establishment costs.

The *Climate Change and Greenhouse Gas Reduction Act 2010* requires the inventories to be of reasonable detail which would require the same level of funding as that currently provided to the Independent Competition and Regulatory Commission.

- Policy Parameters:

n/a

Statistical Data Used:

n/a
