Costing Methodology Used:
- Costing Technique:
Costing for the independent Commissioner is on the basis of the ACT Remuneration Tribunal's Determination 3 of 2012. No allocation for rent has been included as the requirement is uncertain. Consistent with the request, it has been assumed that all other associated costs in establishing the independent office will be absorbed within the existing resources. Minor variations between Treasury's costing and the announced cost are due to rounding.
