Privacy of personal information

The Default Insurance Fund (DI Fund) is committed to handling personal information in accordance with the Privacy Act.

Collection, security, accessibility and disclosure of personal information

We need to collect, use and disclose information in order for the DI Fund to assess your employee's claim. The Workers Compensation legislation authorises us to collect this information. You can choose not to provide us with the information requested, but this may affect our ability to assess the claim.

The DI Fund will secure all personal information collected, and provide access to this information, in accordance with the Privacy Act.

By providing the personal information to the DI Fund you acknowledge and consent that:
1. Where you provide personal information to us about another person, you are authorised to provide that information to us, and you will inform that person who we are, how we use and disclose their information, and how they can gain access to that information (unless doing so would pose a serious threat to the life or health of any individual).

2. We can collect and use the personal information for the following purposes: to investigate, assess and pay the current claim against you.

Please view the Default Insurance Fund Privacy Charter which can be found at:
