What are the key assumptions that have been made in the proposal?

Note: The costing will be developed on the basis of information and assumptions provided in the costing request. The professional judgment of the Under Treasurer will determine whether these assumptions are adopted in the costing of the proposal.

It is assumed that Hope Housing will facilitate 50 property purchases per year, for four years, with an even split of houses and apartments. According to the Domain House Price Report (June 2024), the median property price was \$1,041,434 for a house and \$595,951 for a unit. Prices have been adjusted for CPI. No changes to stamp duty rates or thresholds were included with this costing.

What are the estimated revenue and operating costs each year (if available) and what are the capital requirements for this proposal and estimated costs each year (if available)?

	2024-25	2025-26	2026-27	2027-28	Total
