

- Growing the Economy
 - Civic to Gungahlin Corridor Improvements
- Urban Renewal
 - Road Works
 - Intersection Upgrades
- Liveability and Opportunity
- Educated Capital
- Healthy Cities
- Active Canberra – Healthy Canberra
- Residential Land Release
- Commercial Land Release
- Industrial Land Release
- Community Use and Non-Urban Land Release
- Mixed Commercial and Residential Land Release

What does new Capital and Infrastructure funding get spent on? (2014-15 to 2017-18)

- \$105m on Growing the Economy
- \$82m on Urban Renewal
- \$90m on Liveability and Opportunity

For map purposes, Healthy and Smart includes:

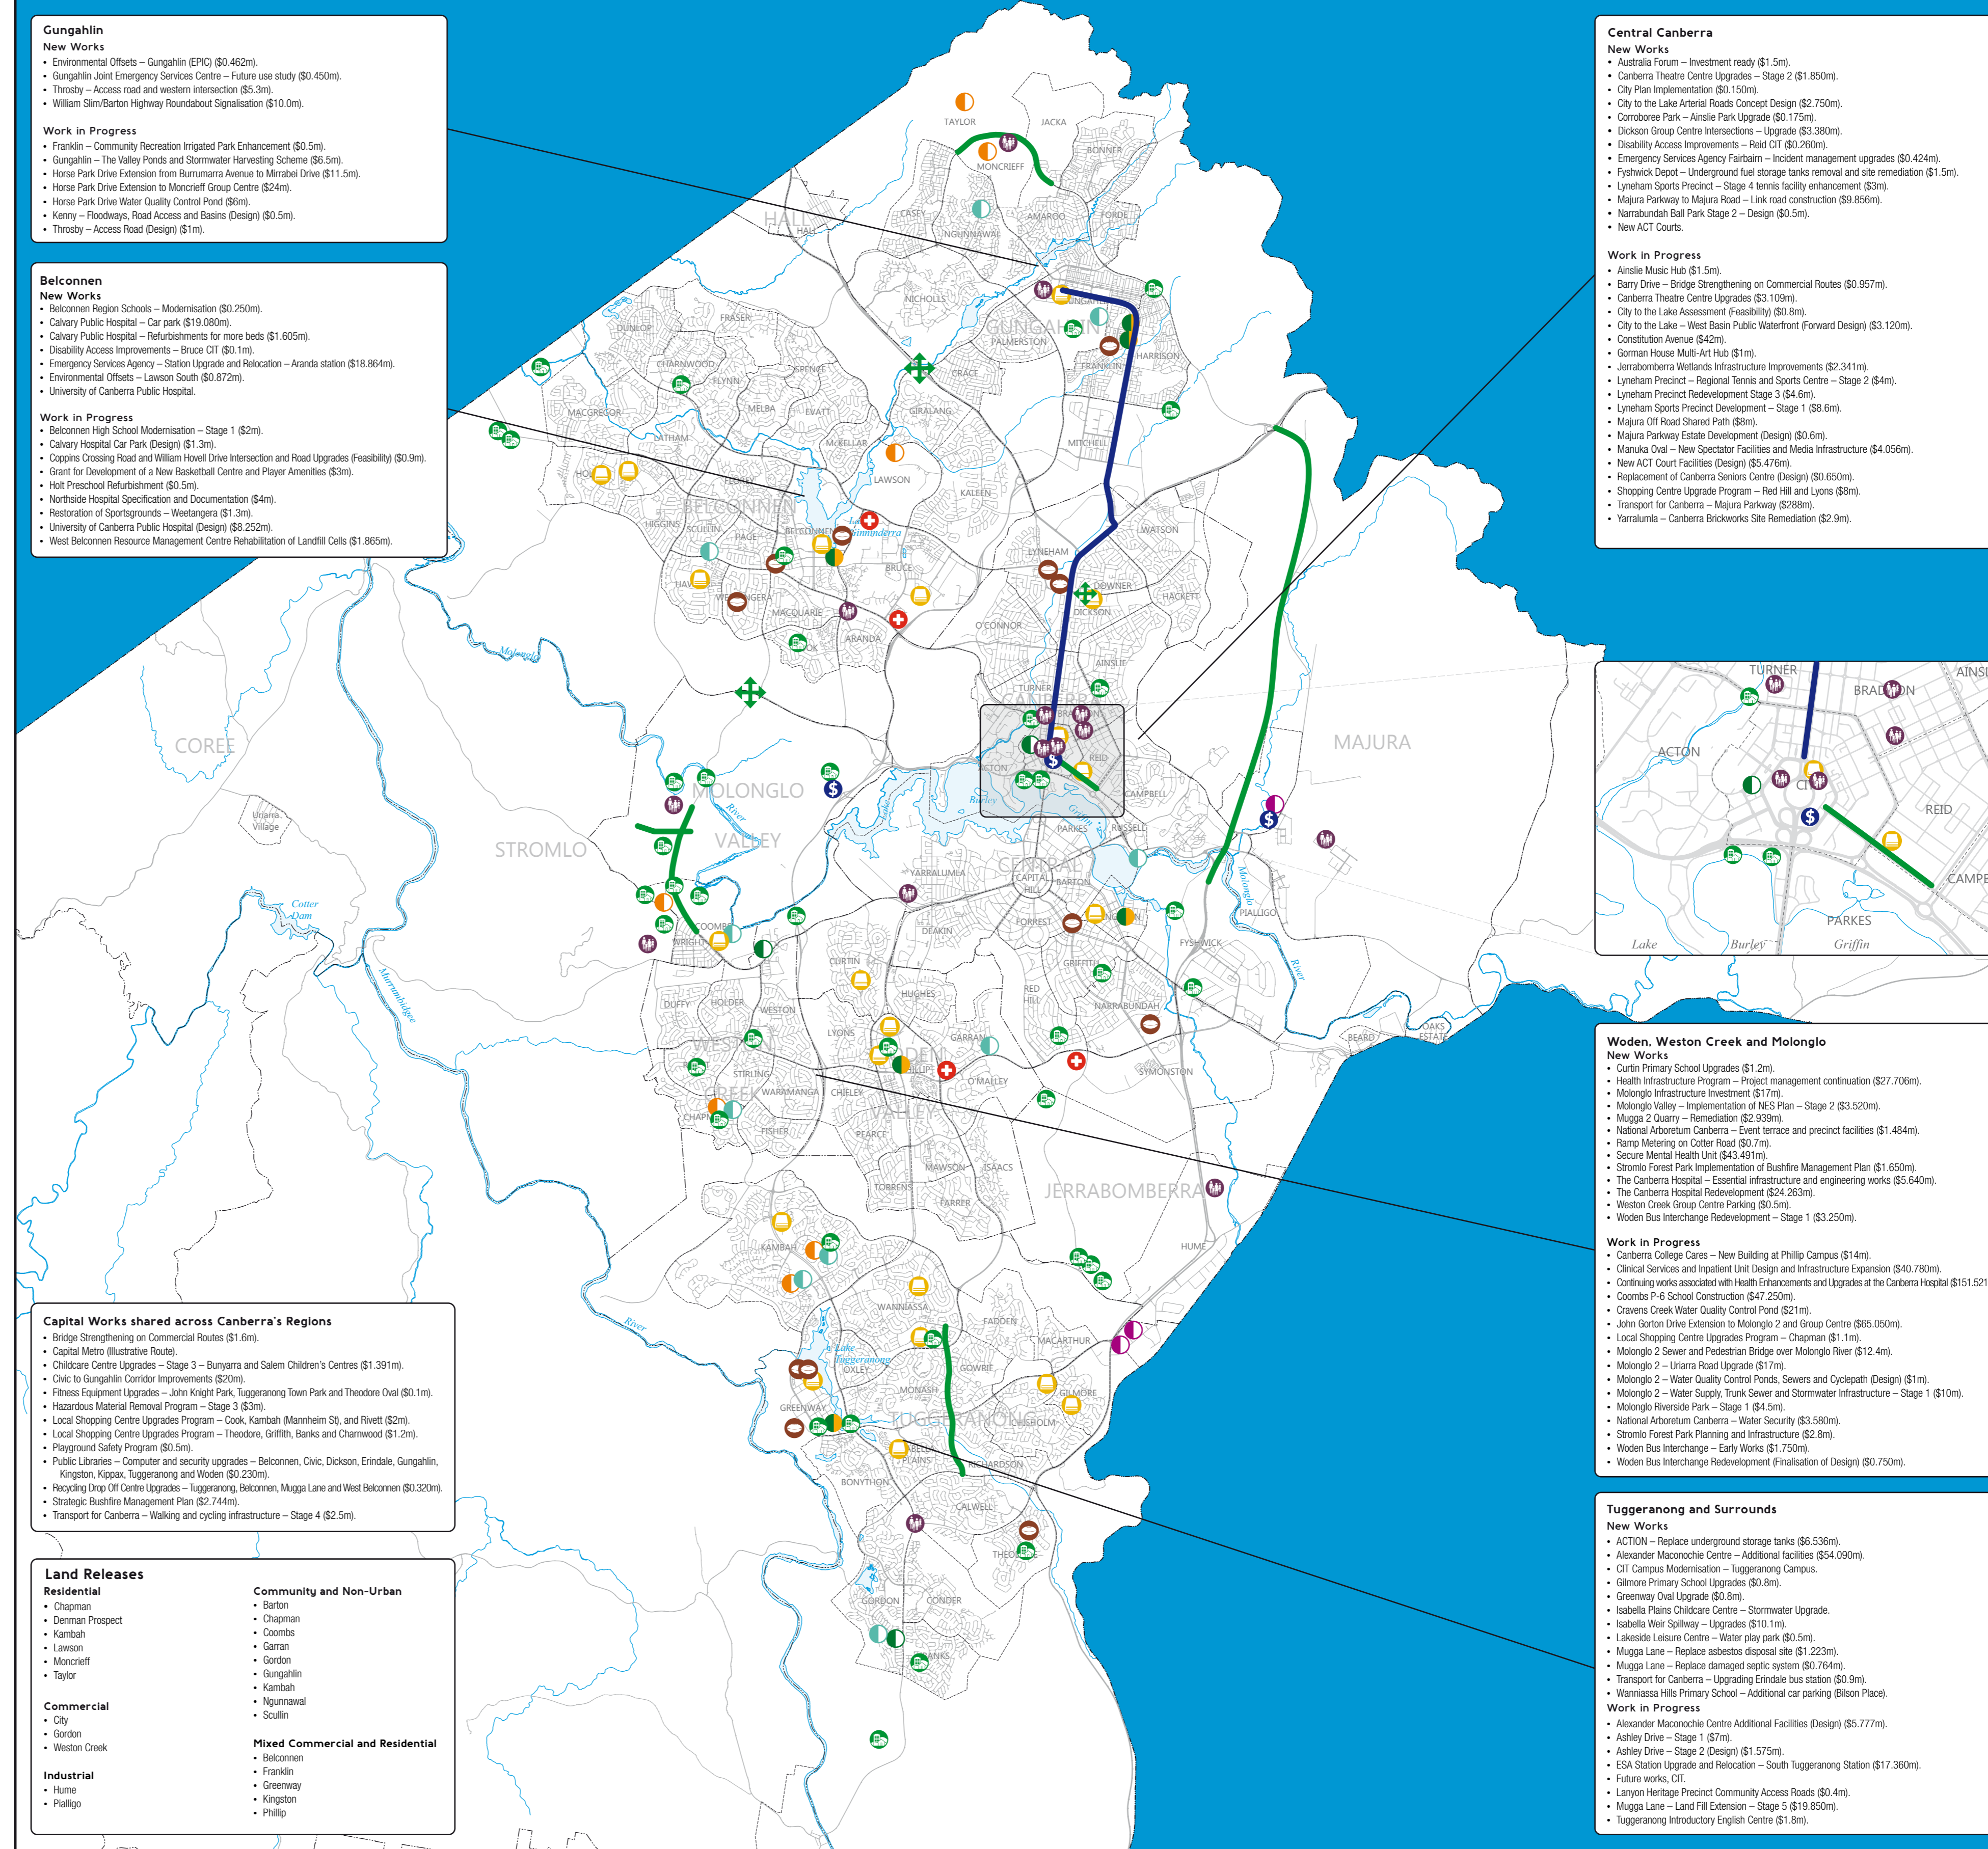

- \$62m on Educated Capital
- \$122m on Healthy Cities
- \$6m on Active Canberra – Healthy Canberra

The 2014-15 Budget includes \$50.3m for Capital Upgrades.

The 2014-15 Budget also includes \$716m for Works in Progress over the four years and other infrastructure projects.

In addition, the ACT Government spends \$4.9b on services to the ACT community. About 50 per cent of all expenditure relates to the Health and Education projects.

For more details about any initiatives and their location, see the online map among Budget Papers published at www.act.gov.au/budget
